Printing Instructions

- Set the printer to print on the highest quality for the best looking tags.
- Print on card stock.
- For circle tags, punch out with a 2 inch circle punch or a scallop punch.
- To get square tags, cut along the outside of the design.

Tag Ideas, Outside of Bath Bomb

- Punch a hole in the top of the tag and thread with ribbon.
- Pinch the bag closed around the top of the bath bomb
- Wrap the ribbon around the pinched part of the bag.

Tag Ideas, Inside of Bath Bomb Bag

- Cut tag to size
- Insert tag into bag
- Close the bag with your favorite ribbon or twine
- Tie the ribbon or twine into a bow to close

Tag Ideas, Stickers

- Print onto sticker sheets.
- Adhere sticker to outside of the bath bomb packaging.

The Fine Print

What You Can Do

- Re-print images as many times as needed.
- Incorporate the images in your packaging or art for personal and small commercial use, up to 5,000 times for each item.
- Need more than 5,000, call us, we're happy to help!
- Include with final tangible product for sale (not digital)

What You Can't Do

- Resell these digital files.
- Print sheets or entire kits and sell as supplies for customers.
- Create your own digital files for sale using this design.
- Create derivative digital images as freebies.
- Share purchased files with other people or re-sale
- Mass produce merchandise and license products containing this design.
- Use this design for web or blog design without a further license.
